

## **WAFQHC Meeting Minutes-July 9, 2011**

Meeting was called to order by President Greg Akehurst at 12:08 p.m.

The June minutes were read and approved as drafted.

### **Treasurer's Report**

We had a good return on the show. The balance is not yet settled as there are several checks pending and we are waiting for the fairgrounds to decide on what they will charge us. Current balance is \$8,774.54.

### **Show Report**

Congratulations to Rich for a really good show. Thanks to the crew and especially to Erin and Shane , and Kris, Greg, and Tracy for working the cows.

Rich made a motion to buy dinner for Erin Elsen and Shane Withers, both non-members, for their help. Dean made a motion to spend \$50.00 each for a gift certificate and Sally seconded. The motion passed.

Rich brought up Charlie Lake's and his wife's contributions to the show. His business, Warren Scope Mounts, has made donations for the auction for the last three years. His wife was a scribe this year. Dean moved that we present a plaque to them. Sally seconded the motion. The motion passed.

Ginny inventoried the left over prizes from the show. We still have the Open Versatility buckle. We may be able to have the date fixed on it and use it later.

We should try to get a list of winners on the website. Gabi should have the list.

There were 67 riders at the show.

Ginny will get thank you cards out to the sponsors.

### **Old Business**

There was no old business that anyone could recall.

### **New Business**

Dean is trying to get a list of prices from the Horse Park as well as a better description of what they have available there and what we get for our membership.

We should try to get a list of sponsors on the website and have the drawing for the gourmet chuck wagon dinner listed there. It was agreed that the web site should have a Clinics page and that every listing should have contact, date, and location information.

### **Trial Rides**

The Lambert Creek Trail Ride is going to be on July 22 through 24. It will be north of Republic.
